

Several Arsenal Positions Open

Applications are now being accepted to fill several job vacancies at Joliet arsenal, it was reported yesterday by Col. Carroll Hudson, commanding officer.

Positions open are: Mechanical engineer, at a salary of \$4,149.60 per annum; architectural draftsman, at \$2,644.80 per annum; electrician linemen, at \$1.38 an hour; maintenance electricians \$1.35 per hour; brick layer, \$1.23 per hour, carpenters, \$1.04 and \$1.15 per hour, and steamfitter, \$1.21 per hour.

A PROMOTION plan is in effect at the arsenal, Col. Hudson said, which provides for periodic pay increases for qualified employes. Individuals hired to fill these vacancies may accrue 26 vacation days with pay per year, and in case of sickness may have 15 days with full pay.

Col. Hudson added that at a later date, all employes will be given the opportunity of taking a civil service examination in order to acquire a permanent employment status with the U. S. government.

Applications for any of the jobs stated, should be mailed to the personnel director, Joliet Arsenal, Joliet, or individuals may apply in person to the personnel department on the plant site.
